MADE FOR MEMBERS BY MEMBERS

Operating since 1929 Mildura Health Fund is a regional health insurance fund existing purely to serve more than 34,000 members nationwide.

98%

Our staff provide consistently high levels of member service. An independent member survey shows that 98% of our members are ‘satisfied’ with their membership, equal to the best in the industry.

We are a not-for-profit member owned fund, this means that our members get more benefits and competitive premiums, where dividends are not paid to shareholders.

92¢

We have agreements with more than 435 private hospitals across Australia which is highly comparable to our competitors. Members can claim anywhere in Australia for both hospital and extras cover.

We pay over 92 cents in benefits to our members for every dollar received in contributions, one of the highest rates in the industry.

We own the Mildura Health Private Hospital where no excess is payable for same day procedures and management of costs assist to provide lower premiums for all of our members.

21-25

Your single children remain covered to age 21 and if they are full time students they remain covered to age 25. Single parent plus and family plus cover options are available for single adult dependents to remain on a family policy to age 25.

You can access your membership anytime, anywhere with our online membership services at www.mildurahealthfund.com.au

2.5%

We offer a 2.5% discount for members who pay by direct debit (Cheque and savings accounts only).

WELCOME TO MILDURA HEALTH FUND

We take pride in the fact we have been operating regionally for 90 years providing valued service and peace of mind to our members. This brochure provides an overview of the features and benefits of our range of comprehensive health insurance products.

IMPORTANT: The information contained in this brochure is current at the time of issue 1 March 2020, and supersedes all previously published material. It is subject to change at any time. Membership of Mildura Health Fund, including entitlement to and payment of benefits, is subject to the Fund Rules which are available for inspection at 79 Deakin Avenue, Mildura. Ensure you read this brochure thoroughly before any decision is made to purchase a health insurance product and retain a copy for future reference. If you anticipate undergoing any medical treatment for which you are expecting a benefit from the Mildura Health Fund, contact us before treatment or being admitted to a hospital to confirm your benefit entitlements. It is also important to remember to review your health insurance cover regularly to ensure it continues to meet your health needs.

Note: This brochure provides all the necessary information you'll require to decide which level of cover best suits you. Should you require more detailed information on any of our services or benefits, please come into to our office or call us on (03) 5023 0269

WHY DO I NEED PRIVATE HEALTH INSURANCE?

Peace of mind - you get health care options and benefits not available in the public health care system.

Own choice of doctor - private hospital cover generally lets you choose your own doctor.

Choice where you are treated - decide whether you stay in a public or private hospital.

Avoid public hospital waiting times - if you are a private patient, you can choose when you are treated.

Gap Medical benefits - payable on doctor's services rendered whilst you are an inpatient in a public or private hospital when you have hospital cover. Please see more information on page 11.

You can lock in your Lifetime Health Cover entry age - avoid paying higher hospital cover premiums by joining at a younger age.

Avoid the Medicare Levy Surcharge - by joining hospital cover, higher income earners can avoid the surcharge.

You can claim on services not covered by Medicare - benefits include dental treatment, glasses, physiotherapy and health aids and appliances, and many more.

On the spot claiming if you hold extras cover - use your Mildura Health Fund membership card at over 100,000 participating providers nationally!

Gap free preventative dental cover - available on our Dental and Five Star Extras covers.

"I just changed over to Mildura Health Fund, it was extremely easy and the staff there are very friendly and helpful" **Shaun - member.**

HOSPITAL COVER

FIVE STAR GOLD

Our top, comprehensive cover gives you Australia wide cover in an agreement private hospital or private day facility, with or without an excess option.

If you would prefer to pay a lower premium and still have the most comprehensive cover, our Five Star Gold cover has a choice of three different excess amounts that you can choose to pay.

It is the same top cover with no exclusions but with a known upfront excess amount to pay. The higher the excess, the lower the premium.

We have contracts with more than 435 private hospitals Australia wide, to give you peace of mind knowing that you will be covered. Using a contracted private hospital will provide you with the maximum cover for your accommodation and theatre fees. A current list of contracted private hospitals can be found on our website, along with our ‘Going to Hospital’ brochure.

* Limited benefits apply - contact the Fund for information.

✓ **No restrictions or exclusions:** This level of cover has no restrictions on services covered. You will be fully covered in a shared or private room in a private hospital or private day facility. For private room accommodation in a public hospital the Fund will pay an additional benefit of \$80 above the shared ward accommodation rate.

R **Restricted benefits:** You will be covered in a shared ward in a public hospital only. If you are admitted to a private or private day facility to be treated, it is likely to result in large out of pocket expenses. Some specialists may not operate in a public hospital, this should be taken into consideration when choosing your hospital cover.

HOSPITAL COVER EXCESS

WHAT IS AN EXCESS

An excess is the amount you agree to pay upfront if you go into a public hospital, private hospital or private day facility. It is that easy!

The higher your excess amount, the less you pay in your regular premiums. Just decide the excess amount that suits your individual circumstances and you are on your way to lower premiums.

Your excess is only payable should you be admitted to a private hospital or private day facility, or a public hospital as a private patient. For singles, couples and family type covers, the per person excess is only payable once per calendar year, 1 January to 31 December, to the maximums shown in the table below, irrespective of the length of stay or the number of admissions that year.

Excess amounts applicable per cover are outlined below:

NOTE: The excess is payable for all overnight admissions in all public and private hospitals. The excess is also payable for same day patients in all public and private hospitals and private day facilities with the exception of Mildura Health Private Hospital where members do not pay an excess for day surgery.

Example: If Kate is on F2 and is hospitalised more than once in that year, she only pays the maximum excess of \$250. If her partner is also admitted during the same year, they will pay another \$250 excess on admission up to a maximum of \$500 for the year.

| COVER | PRODUCT CODE | EXCESS AMOUNT | MAXIMUM YEARLY EXCESS | |
|-----------------------------|--------------|---------------|-----------------------|-----------------|
| | | | SINGLE | COUPLE / FAMILY |
| Five Star Gold \$250 Excess | F2 | \$250 | \$250 | \$500 |
| Five Star Gold \$500 Excess | F3 | \$500 | \$500 | \$1000 |
| Five Star Gold \$750 Excess | F4 | \$750 | \$750 | \$1500 |
| Basic Plus \$750 | H1 | \$750 | \$750 | \$1500 |

HOSPITAL COVER IMPORTANT INFORMATION

Benefits are payable for treatment received in a recognised hospital or facility in Australia only.

Benefits will not be payable unless all applicable waiting periods have been completed. See page 12 for details.

Restricted benefits will be payable at the Minimum Benefit Payable (MBP), this is the minimum benefit the Private Health Insurance Act requires health funds to pay for treatment under a hospital cover. If you hold the Basic Plus cover and are admitted to a private hospital or day facility, benefits will be payable at the MBP which may leave you with large out of pocket expenses to pay.

Treatment where no Medicare benefit is payable will not be covered by your hospital cover. However, limited benefits are payable towards the cost of hospital inpatient treatment for Podiatric surgery provided by an accredited podiatric surgeon depending on level of hospital cover. Cosmetic surgery is specifically excluded where there is no Medicare benefit payable.

Benefits are payable for 365 days of the year provided your doctor certifies your need for ongoing acute care. If after 35 days, your doctor doesn't provide certification you will be classified as a long term 'nursing home type' patient. We will cover you for the minimum benefit amount as determined by the Department of Health (DoH) leaving you with a daily co-payment to pay. Depending on your length of stay your co-payment amount may be significant.

Gap Medical benefits are payable on all inpatient services where a Medicare benefit is payable. See page 11 for details. If you, or your family, are being admitted to hospital always contact us first to confirm your cover.

Our 'Going to Hospital' brochure can be downloaded from our website or forwarded to you on request.

WHAT ARE MY OPTIONS IF I AM ADMITTED TO A PUBLIC HOSPITAL?

When you are admitted to a public hospital, you can choose whether to be treated as a public patient or as a private patient. If you choose to be a public patient, you will be treated by a doctor appointed by the hospital and not be charged for your care.

You can choose to be treated as a private patient in a public hospital to have your choice of treating doctor, or to have a private room. However, this may not necessarily guarantee the doctor of your choosing or that a private room will be available, nor does it guarantee a higher level of care.

There is no difference in the level of care you receive at a public hospital if you elect to be a private patient, you may however be charged some out-of-pocket costs.

WE RECOMMEND THAT YOU CONTACT US PRIOR TO ANY PLANNED HOSPITALISATION WITH THE MBS ITEM NUMBERS, AND FEES THE DOCTOR WILL BE CHARGING, TO DISCUSS THE LEVEL OF BENEFIT YOUR POLICY PROVIDES TO YOU.

HOSPITAL COVER WHAT ELSE IS COVERED?

GAP MEDICAL BENEFITS

When you are admitted to hospital you will be charged separately for medical fees by your doctor, medical specialist, surgeon, anaesthetist, radiologist or pathologist.

These fees will be in addition to your accommodation and theatre fees, and are always negotiable between you and your health care provider. You will receive 100% of the Medicare Benefit Schedule (MBS) fee, the Medicare benefit plus the Fund Benefit, for inpatient services. If your specialist chooses to charge above the MBS fee, we will pay a further benefit towards this amount, known as the gap, which may result in a gap payment or no out of pocket cost to you. If your doctor has an agreement in place with us, they will bill us direct. Otherwise you can submit your unpaid account to us for claiming.

Please contact the Fund prior to any planned hospitalisation with the MBS item numbers, and fees the doctor will be charging, so that we can ensure that you will be covered and advise you of any out of pocket amounts you may need to pay.

NO GAP MEDICAL BENEFITS AT MHPH

Mildura Health Fund has no gap medical agreements with a number of medical specialists, doctors and surgeons who operate at Mildura Health Private Hospital (MHPH).

Your doctor will bill us direct and you will have no out of pocket costs if treated at MHPH by a no gap provider.

The current list of no gap medical providers can be found on our website mildurahealthfund.com.au.

PROSTHESES

A prosthesis is a surgically implanted medical device or artificial body part, such as a hip or knee joints or a cardiac pacemaker.

If you are having a procedure that involves implantation of a prosthesis, there is always one that your surgeon can use that is on the Government approved listing, meaning that you will not have an additional amount to pay.

OTHER COSTS YOU MAY INCUR

Depending on the procedure you are having whilst an inpatient in hospital, your doctor may need to use high cost items that are not normally covered.

When this occurs, long term Mildura Health Fund members may qualify for an ex-gratia benefit to be paid to the hospital, on their behalf, towards the cost.

This can include items such as high cost disposables associated with certain procedures, and high cost drugs.

WAITING PERIODS

| HOSPITAL | |
|---|-----------|
| Pre-existing conditions* | 12 Months |
| Pregnancy and Birth related services | |
| All other hospital treatment including Rehabilitation, Psychiatric Services and Palliative Care | 2 Months |
| Accidental Injury ** | Immediate |
| Newborns*** | |

Pre-existing Conditions* A pre-existing condition is where the signs or symptoms of your ailment, condition or illness, in the opinion of MHF’s appointed independent medical adviser (not your own doctor), existed at any time in the 6 months preceding the day you joined hospital cover or the date you upgraded to a higher level of cover. It is not necessary that you, or your doctor knew what the condition was or that the condition had been diagnosed.

Decisions on whether or not an illness is pre-existing can only be made by MHF’s appointed independent medical adviser. In forming an opinion, the Fund’s practitioner must take into account information provided by your own doctor.

The pre-existing condition rule still applies even if your ailment, illness or condition was not diagnosed prior to joining or upgrading your hospital cover.

Accidental Injury** An accident is an unforeseen and unintended event which occurs suddenly and causes bodily injury requiring immediate treatment.

You are covered for accidental injury treatment immediately after you join, providing that there is no right to claim compensation or damages from another source.

Pregnancy related conditions, or an unforeseen ailment, illness or condition brought on by medical cause, are not classed as an accident.

Newborn*** We understand that it is a busy and exciting time when a baby is born. It is important that you contact us as soon as possible after your baby’s birth to ensure that they are added to your membership.

If you currently hold a single policy with us, you will have 2 months to upgrade to a single parent, or a family type policy, after baby arrives. The applicable premium will be payable from baby’s date of birth and they will inherit your waiting period status.

If you already hold a family type policy, you simply need to let us know baby’s details, within 2 months of their birth and they will inherit your waiting period status.

If you are expecting a multiple birth, you will need to have a family type policy as the 2nd, or subsequent birth, will be admitted to hospital in their own right. This will mean that if you hold an excess cover, and you haven’t already met your excess liability for the calendar year, the excess will be payable for your 2nd baby.

EXTRAS AND DENTAL COVERS

BENEFITS ON A WHOLE RANGE OF HEALTH CARE SERVICES

With our Extras cover you'll get great benefits on a whole range of health care services and treatments that are not covered by your hospital cover or by Medicare.

Not only will you be able to claim on your regular dental check-up, you can also claim benefits for glasses, physiotherapy and remedial massage. For the full list of services covered, along with the benefits that are payable, see our benefits tables.

There are six levels of Extras to choose from depending on the services you use and your budget. These can be taken on their own or combined with your choice of hospital cover.

GAP FREE PREVENTATIVE DENTAL

A popular feature of our Dental and Five Star Extras covers is Gap Free Preventative Dental.

We will pay 100% of the fee for each eligible preventative service provided by one of our agreement dentists.

The same benefit amount will be paid whether you see an agreement dentist or not. (A balance may be payable for treatment provided by a non-agreement dentist).

Regular visits to the dentist are essential for the maintenance of healthy teeth and gums. MHF and Dentists recommend that you, and your family, visit every six months to ensure overall good oral health.

Benefits apply to adults and children who have served their waiting period. All limits and benefit conditions apply to these services. See 'Explaining your claim limits' on page 25 for full details.

SUPER DENTAL AGREEMENTS

The Fund has entered into agreements with dental providers, known as super dental agreements, to limit the out of pocket expenses our members have to pay.

All dental providers receive the same benefit per service, whether they have an agreement with us or not. Our agreement dental providers will only charge the agreed amount for the service they provide.

You still have a choice of who you receive treatment with, we do not reduce the benefits paid if you see a provider who doesn't have an agreement with us.

We are unlike other health funds, who have preferred providers, we give you choice! Other health funds with preferred providers restrict who you can see, how much you can claim and generally pay a lower benefit for the same service to dentists who are not one of their preferred providers.

**The Rebate is the percentage amount that the government pays towards your health insurance depending on your age and income. The premiums above in the ‘With Base Tier Rebate’ column, are calculated using the maximum Rebate for under 65 year olds. See page 14 or 31 for further information and for the table to work out your income tier.*

EXPLAINING YOUR CLAIM LIMITS

YEARLY LIMIT

This is the maximum amount you can claim for a service in a calendar year, from 1 January to 31 December.

If you don’t claim your full limit for the year it does not roll over to the next year – it will reset 1 January. If you claim your full limit in a calendar year, no further benefits will be payable until 1 January the next year.

SUB LIMIT

This is a limit within a limit. It applies to a specific service, per person, per calendar year.

For example if you have Dental Cover, there is a yearly limit for all dental treatment. A sub limit applies to orthodontic of \$600 per person, so once you reach that limit you can no longer claim orthodontic for that year. However, you could claim a further \$400 in claims for other dental services.

PERSON LIMIT

This is the maximum limit each person on a membership can claim in a calendar year.

If you are on a policy that includes more than one person, each of you have your own individual limit.

MEMBERSHIP LIMIT

This is the maximum amount that can be claimed collectively, by everyone covered by a membership within a calendar year, for a specific service.

Remember that these limits apply in addition to your individual per person limits. This limit may not be high enough for all of the family members to claim their full individual limits. For example, you may have a person limit of \$540 with a membership limit of \$1080. If there are more than 2 persons on your membership, they may not all be able to claim their full person limit.

LIFETIME LIMIT

A lifetime limit applies to orthodontic treatment and applies to an individual.

Once this limit has been reached, no further benefits will be payable by MHF. This limit does not reset, even if you leave us and start your cover again at a later date.

SERVICE LIMIT

Limitations apply to some types of extras services, in particular dental services.

For example, you can only claim a periodic consultation with your dentist every six months. These limits apply from the date you receive the treatment not from the date you submit the claim.

IMPORTANT INFORMATION

Benefits are not payable for the following:

- Extras treatment or services covered by Medicare
- Treatment or services received within your waiting periods (see page 12)
- Treatment received at a hospital emergency department
- Care and accommodation in an aged care facility
- Treatment or services that are not medically necessary nor clinically relevant
- Treatment or services received from a provider who is not recognised with Mildura Health Fund i.e. not registered with the Department of Health or the Australian Regional Health Group
- Treatment or services covered by Work Cover, damages legislation or any type of insurance (i.e. third party or sports club insurance)
- Treatment, goods or services received or sourced outside of Australia
- Treatment that has been provided by a family member, relative, business partner, or yourself
- Treatment or services that have been paid for but not yet received
- Services that you haven’t been charged for
- Surcharges, delivery costs and credit card processing fees
- Services provided for sport, recreation or entertainment
- Non-Prescription glasses, sunglasses or contact lenses
- Hire of Health Aids and Appliances with the exception of crutches
- Purchase of replacement parts or components in relation to Health Aids and Appliances i.e. CPAP mask replacement
- Purchase of second-hand, pre-owned goods or equipment
- Health Aids must have 100% manufacture warranty from new purchase date
- Cosmetic treatment or services

EXTRAS COVER WHAT YOU NEED TO KNOW

OPTICAL BENEFIT

Covers your prescription glasses and contact lenses that have been prescribed by a registered optometrist.

Non-prescription sunglasses are specifically excluded. Your claim for benefits will be processed as at the date you collect or receive your glasses or contact lenses, not the date that they are ordered. Glasses and contact lens maximums apply per calendar year. See page 18-19 for further information.

AMBULANCE SUBSCRIPTION

Ambulance subscription benefits are payable on the subscription paid to an Ambulance service provider only.

Subscription costs and conditions vary from state to state. See page 32 for ambulance provider information - ‘Ambulance Cover Explained.’

FOOT ORTHOTICS

Foot Orthotics must be prepared for the member by a registered podiatrist or a registered orthotist.

Pursuant to a referral from a registered podiatrist or doctor in the course of private practice. Benefits are not payable on pre-fabricated orthotics.

GROUP THERAPY

Group Therapy benefits are only payable when treatment is provided by a registered Physiotherapist, Exercise Physiologist or Clinical Psychologist.

Group treatment is defined as when a patient does not have the provider’s exclusive attention for the entire therapy session (e.g. more than one patient).

HEARING TESTS

Hearing test benefits are payable when treatment is provided by a **registered Audiologist only**.

PHARMACY

Our Five Star Extras (E1) cover includes a benefit on Pharmacy. Benefits are only payable for Schedule 4 (S4) and Schedule 8 (S8) non-Pharmaceutical Benefit Schedule (PBS) items prescribed by your doctor.

A benefit will be payable for each eligible pharmacy item after the non-concessional patient contribution PBS amount has been deducted from the charge.

The PBS amount is determined by the Department of Health and is updated on 1 January each year.

ITEMS INCLUDED:

- Contraceptives prescribed for a medical condition

- Travel vaccinations

EXCLUDED ITEMS:

- Medication that is subsidised by the PBS

- Over the counter, non-prescription pharmacy items

- Non-TGA approved items

- Herbal medicines and vitamins

- Body enhancing medication (e.g. anabolic steroids)

- Experimental drugs

**TO MAKE A CLAIM YOU WILL NEED
AN OFFICIAL PHARMACY RECEIPT THAT
INCLUDES THE FOLLOWING:**

- Name of the drug prescribed

- Date of supply

- Strength

- Quantity

- Confirmation that the medication as not subsidised by the PBS

- Pharmacists name, address and prescription number

- Patient’s name and address

TYPES OF COVER

THE MEMBER

SWITCHING IS EASY

Our membership team will do all the work for you...

From helping you to compare products, providing a quote and requesting your details from your previous health fund.

Provided that you have served your waiting periods with your previous fund, you will not have to re-serve them on the equivalent level of cover with MHF. Should you decide to upgrade your level of cover, you will only have

to serve the new cover waiting periods, not the ones you have already served.

You will be able to start claiming as soon as your previous health fund provides us with the details of your cover (a Transfer Certificate), this can take up to 14 days. Any claims you may have while we are waiting on these details, will be honoured as soon we receive the required information.

If you have used your claim limits with your previous fund, they will be taken into account by us. With the exception of orthodontic limits, your claim limits will renew in the next calendar year so you will not miss out on any benefits.

Contact our membership team today.

DEPENDENTS

CHILD DEPENDENT

Child dependents are automatically covered on a family type membership until they reach 21 years old regardless of their student or employment status.

When a child dependent turns 21, their dependent status will change and the following will need to be considered:

If they are still a full time student, and meet the Student Dependent criteria, they can remain on the family's membership until age 25.

They can continue on the family's membership as an Adult Dependent if the criteria is met and the families membership is upgraded to an extended cover.

They can join their own membership from their 21st birthday. Benefits will continue automatically provided all waiting periods have been served and the new membership is commenced within 2 months of turning 21. Continuation of cover will require dating and payment of this membership from the date of their 21st birthday.

CHILD DEPENDENTS ARE
AUTOMATICALLY COVERED
ON A FAMILY TYPE
MEMBERSHIP UNTIL THEY
REACH 21 YEARS OLD

STUDENT DEPENDENT CRITERIA

Student dependents aged 21-24 inclusive can remain on the family's membership, until they turn 25, as a full-time student provided that:

They complete a minimum of 75% of a full-time course load as defined by the student's educational institution.

They are not married or in a de-facto relationship.

Note: Apprenticeships and traineeships do not qualify as full-time study.

A dependant registration form must be signed when they turn 21 and then again in February each year.

When they turn 25, they must join their own membership to have continued coverage.

They will not be required to serve waiting periods if joining an equivalent, or lower, level of cover to the cover you hold.

ADULT DEPENDENT CRITERIA

Your non-student dependents aged 21-24 inclusive who are not married, can remain on your membership until age 25 at an extra cost of 25% of your current premium.

This will require an upgrade of your membership to an extended cover – either Single Parent Plus or Family Plus depending on your circumstances. There is no limit to the number of adult dependents included, the cost will be the same for one or more.

When they turn 25, they must join their own membership to have continued coverage. They will not be required to serve waiting periods if joining an equivalent, or lower, level of cover! See page 31 to find out how to receive the Youth Discount for 18-29 year olds.

MANAGING YOUR MEMBERSHIP

MEMBERSHIP CARD

When you join Mildura Health Fund, you will receive a membership card identifying you as a member. Your card will show all persons covered, along with your membership number. Additional cards can be requested at any time. Have your membership card on hand when you arrange an admission to hospital, visit a service provider, contact the Fund or come into our office.

A new card may be issued when you make changes to your membership. Please note that an existing card will become invalid whenever a new card is issued. Keep your card safe and please notify the Fund if your card is lost or stolen.

CHANGING YOUR CONTACT DETAILS

Always make sure that we have your up to date contact details. You can make changes at any time by logging in to Online Member Services (OMS) via our website, mildurahealthfund.com.au.

SUSPENDING YOUR COVER

If you are traveling overseas you can apply to suspend your membership provided that you:

Have been a member for at least 12 months

Have paid your premiums up to your date of departure

Have had at least 6 months active cover since any previous suspension

Are going overseas for a minimum of 2 weeks

Suspend your membership for a period no greater than 2 years

Lodge your application for membership suspension prior to the date of your departure from Australia

Members must provide documentary evidence of departure and return dates before suspension is permitted.

Suspension of membership due to overseas travel does not affect your Lifetime Health Cover (LHC) loading as you are still considered to be maintaining your membership.

Depending on income level, suspension of hospital cover may result in the Medicare Levy Surcharge (MLS) being applied by the ATO.

CHANGING YOUR COVER

You can change your level of cover at any time. Waiting periods will apply if you are upgrading your level of cover or reducing your hospital cover excess amount. If you are upgrading your level of cover, your previous level of cover will apply during the waiting period.

CANCELLATION OF MEMBERSHIP

You can cancel your membership at any time. Cancellation will be effective from the date you notify the Fund or from your current premium due date, whichever is earlier.

We require something in writing from you, a signed cancellation form or an email will suffice, before a cancellation takes effect.

Prior to cancelling, we encourage you to call our customer service team. Our specialised team will be able to assist you to review your current cover or answer any questions you may have.

PAYING YOUR PREMIUMS

We offer a variety of different payment methods for you to choose from. Along with different frequency options to suit every budget, you can choose from fortnightly, monthly, quarterly, half yearly and yearly.

If you elect to pay quarterly, half yearly or yearly, an account notice will be sent to you. Note that if you are paying by Direct Debit on one of these frequencies, you will receive an SMS or email reminder but will not receive a detailed account.

It is your responsibility to ensure that your payments are for the correct amount and that they are in advance. This avoids the embarrassment of your claims being rejected due to your membership being unfinancial at the time you claim.

If your premiums are in arrears by more than two consecutive months, your cover will lapse and your membership will be closed. Every attempt will be made to contact you if this occurs.

PAYMENT OPTIONS:

DIRECT DEBIT Pay by direct debit from your nominated cheque or savings account. You will receive a 2.5% discount if you use this option. A reminder will be sent via SMS or email prior to your due date if you elect to pay quarterly, half yearly or yearly.

Our biller code reference 228080, the reference number that is specific to your membership can be provided on request.

EFTPOS payments can be made in person at our Deakin Avenue or Swan Hill Branch or can be taken over the phone.

ONLINE MEMBER SERVICES (OMS) You can make payments online by logging into OMS via our website, and accessing 'Make a Payment'. You have the option of using your credit card or internet banking.

IN PERSON You can pay cash, cheque or EFTPOS at our Mildura office, 79 Deakin Avenue or Swan Hill Branch, Priceline Pharmacy, 202 Campbell Street.

GOVERNMENT INITIATIVES

AUSTRALIAN GOVERNMENT REBATE ON PRIVATE HEALTH INSURANCE

The Private Health Insurance Rebate is the amount the Government contributes towards the cost of eligible Australians health insurance premiums.

Your eligibility to receive the rebate is based on your income and the age of the oldest person on your membership. See the table on page 31 to help work out your rebate tier.

The rebate only applies to the standard (base) amount of your premium before any discount or Lifetime Health Cover (LHC) amount is applied.

If you select the wrong rebate tier, any difference will be reconciled when you lodge your tax return.

You don't have to claim your rebate as a reduced premium, you can pay the full premium cost and claim the rebate back at tax time.

Calculation of the rebate percentage is based on a complex formula and the Consumer Price Index (CPI). The rebate percentage is reduced each year.

MEDICARE LEVY SURCHARGE

The Medicare Levy Surcharge (MLS) is levied on Australian taxpayers who are high income earners and who do not hold hospital cover.

The surcharge aims to encourage individuals to take out private hospital cover, and where possible, to use the private hospital system to reduce demand on the public Medicare system.

The surcharge is between 1% and 1.5% (depending on your household income) and is in addition to the 2% Medicare Levy paid by most Australian taxpayers.

LIFETIME HEALTH COVER

Lifetime Health Cover (LHC) is a government initiative designed to encourage people to take out private hospital cover earlier in life and maintain this cover throughout their lifetime.

If you join private hospital cover before July 1 immediately following your 31st birthday and keep it, you will not incur an extra cost for LHC loading.

If you decide to take out cover later in your life, you will pay an extra 2% more for cover every year that you are over the age of 30. This is called Lifetime Health Cover loading.

LHC loading applies to the hospital portion of your cover only. The Australian Government Rebate is not payable on any LHC loading amount that may apply to your cover.

OTHER INFORMATION:

The maximum loading you will ever pay is 70%.

If you were born before 1 July 1934 you are exempt from the loading.

You can drop your hospital cover for up to 1,094 days throughout your lifetime without incurring penalty loading when re-joining. Waiting periods will apply when you re-join.

You can vary your level of hospital cover without affecting your LHC loading.

LHC loading remain on your membership for 10 years. After 10 straight years the loading will be removed. However, the loading may be reapplied if you cease your hospital cover and then take it up again at a later date.

END OF FINANCIAL YEAR TAX STATEMENTS

The Fund no longer issues members with a paper copy of their health insurance tax statement at the end of the financial year.

If you lodge your tax return online with myTax or a registered tax agent, your health insurance tax information should be automatically populated in your tax return by 8 July each year. You will not need to add this information.

You may always request a copy of your statement at any time should you require one for any reason. Alternatively, your statement can be downloaded via our website [mildurahealthfund.com.au/online member services](http://mildurahealthfund.com.au/online-member-services).

YOUTH DISCOUNTS

The Youth Discount is an age-based discount designed to encourage people to join hospital cover early in life and to then maintain their cover throughout their lifetime.

To receive the discount a person must be aged 18-29 inclusive and join an eligible level of hospital cover. Eligible hospital covers are our Five Star Gold suite of products, with or without an excess.

A person can transfer between eligible covers and still retain their discount. If transferring an eligible cover from another health fund that offers age-based discounts, the discount will be retained when joining an eligible cover with MHF.

The discount amount starts at 10%, for persons aged 18 to

25 inclusive and will reduce by 2% for each year you put off joining hospital cover after you turn 25 until you reach age 30.

For example, if you join a Five Star Gold cover at age 28, you will be entitled to a 4% discount. 28 will become your age* at assessment date.

As long as you remain on an eligible hospital cover, you will continue to receive your full discount entitlement until you turn 41.

At the age of 41, your discount will start to reduce by 2% every year until it reaches zero.

See the table below for the applicable discount percentage by age:

| *AGE | % |
|-------|-----|
| 18-25 | 10% |
| 26 | 8% |
| 27 | 6% |
| 28 | 4% |
| 29 | 2% |
| 30 | 0% |

Ambulance cover explained

Ambulance cover is important as you never know when an emergency may happen. Ambulance coverage in Australia is different from state to state, so we encourage you to read below to find out what you need to do to be fully covered. Generally emergency ambulance transport is covered but non-emergency ambulance transport will not be.

VICTORIA

To be fully covered in Victoria for emergency transport, you need to take out an Ambulance Victoria subscription. Visit the Ambulance Victoria website for joining options. When you've signed up, MHF will pay a benefit onwards your ambulance subscription each year if you hold an *eligible extras cover, to help offset the cost of your comprehensive ambulance cover. With an Ambulance Victoria Subscription, you are covered in full for emergency ambulance transport, paramedic care and treatment, including air ambulance throughout Australia. Visit the Ambulance Victoria website: www.ambulance.vic.gov.au/membership/ to join.

NEW SOUTH WALES (NSW) AND THE ACT

If you reside in NSW or the ACT and have joined hospital cover, you are automatically covered for road and air emergency ambulance transportation provided by a State or Territory ambulance service.

MHF pays a levy on behalf of members who reside in NSW or the ACT to cover the cost of ambulance transportation. If an ambulance is called, you will receive a bill from the NSW or the ACT ambulance service. Just send the bill on to us and we'll let the NSW or the ACT Ambulance service know you're covered.

If you hold Extras only, MHF does not provide benefits against the cost of ambulance travel and does not offer 'ambulance only' insurance. To be covered for comprehensive ambulance services Australia wide, you will need to purchase a standalone ambulance subscription.

Members who hold *eligible extras cover with the Fund can claim a benefit on their ambulance subscription fee. Benefit amounts vary depending on the level of cover held.

For further information about NSW or ACT ambulance, visit www.ambulance.nsw.gov.au for NSW residents and www.esa.act.gov.au for ACT residents.

SOUTH AUSTRALIA

MHF does not provide benefits against the cost of ambulance travel and does not offer 'ambulance only' insurance. To be covered for comprehensive ambulance services Australia wide, you will need to take out a Standard Plus interstate subscription with the South Australian Ambulance Service (SAAS).

Members who hold an appropriate level of extras cover with the Fund can claim a benefit on their ambulance subscription fee. Benefit amounts vary depending on the level of cover held.

TASMANIA

Tasmanian residents are covered by a State based scheme.

For more information check out the Ambulance Tasmania website www.dhhs.tas.gov.au/ambulance

WESTERN AUSTRALIA

If you reside outside of metropolitan Perth, you need to contact your local St John Ambulance Country to take out an Ambulance subscription.

Residents in Metropolitan Perth need to take out a standalone Ambulance Transport cover

If you hold an *eligible extras cover with MHF, we will pay a benefit onwards the cost of your subscription each year.

Contact St John Ambulance directly for information on 08 9334 1284, as your postcode will determine how you can purchase your St John Ambulance subscription

QUEENSLAND

All Queensland residents are automatically covered for the cost of emergency services Australia wide. This is paid for by the QLD state government. You don't have to do anything. For more information visit the Queensland Ambulance Service website www.ambulance.qld.gov.au

NORTHERN TERRITORY

Take out a subscription with St Johns Ambulance Service NT and be covered Australia wide. When you've signed up, MHF will pay a benefit onwards your ambulance subscription each year if you hold an *eligible extras cover, to help offset the cost of your comprehensive ambulance cover. For more information visit the St John Ambulance NT website www.stjohnnt.org.au
